In view of the fact that his present emoluments are Rs 1,150 (Pay 900 D.A. 100 + P.A. 150) it may be reasonable to fix his salary as Senior Surgeon at not less than Rs 1,150, or even Rs 1,200, if no extra allowance as Principal, Medical School. is given. It is also seen from the file that at the time when his salary was proposed to be fixed at Rs 1,200, it was not intended to continue him as Principal, Medical School. Now that he is required to continue as Principal, Medical School with an allowance of Rs 100. his salary as Senior Surgeon may perhaps be fixed at Rs 1.100 only leaving his total emoluments at Rs 1,200/-

COUNCIL. 1937 6176

27) In this connection it may be incidentally brought to notice that a large amount (about Rs 1000 per mensem on an average) is being received by the Senior Surgeon towards Medical fees from our State Life Insurance Office. With this additional income a salary of Rs 1,100 + 100 may not be considered inadequate

Submitted to His Highness.

32) In accordance with His Highness's orders communicated in Huzur Secretary's D.O. letter No.C. 124 dated 16th February 1937, instructions have been issued permitting Sastravaidyapravina Dr. S. Subba Rao to accompany Prince Jaya Chamaraja Wadiyar to Japan and China in April next for a period of about three months.

33) The question of the arrangements to be made during the absence of Dr. Subba Rao was considered by the Members of Council and myself and also discussed at a meeting of the Council on the 10th instant. The following arrangements have been agreed to as being suitable:-

(i) Dr. B.K. Narayana Rao, Superintendent, Minto Ophthalmic Hospital, Bangalore, and Principal and Lecturer in Ophthalmology, Medical School, to officiate as Senior Surgeon on a salary of Rs. 1,200/- per mensem, and also to continue as Principal of the Medical School without any allowance for this work.

(ii) Mr. P.R. Subba Rao, Surgeon, Krishnarajendra Hospital, and Professor of Ophthalmology, Medical College, Mysore, to be Superintendent, Minto Ophthalmic Hospital, Bangalore, with an allowance of Rs. 100/- per mensem attached to the post, and also to be Lecturer in Ophthalmology, Medical School, with an allowance of Rs. 50/- per mensem.

(iii) Mr. M.S. Mehkri, Assistant Surgeon, Minto Ophthalmic Hospital, Bangalore, to be transferred to the Krishnarajendra Hospital, Mysore, and to be in charge of the Ophthalmic Section there and to be also Professor of Ophthalmology in the Medical College with the allowance of Rs. 100/- per mensem.

34) The revised scale of pay of the post of Senior Surgeon is Rs. 1000-50-1200. Dr. B.K. Narayana Rao is, however, at present in receipt of a total emolument of Rs. 1,150/- in his present charge. It is, therefore, considered that, as Officiating Senior Surgeon with the additional duties of the Principal of the Medical School, he should get at least Rs. 1,200/- per mensem. The Financial Secretary has also agreed to this recommendation. The other proposals call for no special remarks.

35) The recommendation of the Council may be graciously approved.

(1) Draft a letter to Comptroller intimating the above position.

As regards changes to be effected in the Medical College and the Medical School, the University has been invested with powers (vide Govt. No. 581-3/Edn 172-30-11 dated 12th March 1931). 87 Re: University allowances, the Registrar's letters seem to indicate that ~~those~~ the ex-officio appointments in the Medical College & School are within their powers. Under G.O.No E.581-3/Uni.172-30 d. 12.3.31, the University is empowered to effect changes in the staff of the Medical College and School (in consultation with the Principals & subject to previous consultation with the Senior Surgeon) so long as the rate of allowance & period of employment remain the same. The University have communicated acceptance to the following appts

7e 9, 7

(i) Mr P.R. Subba Rao: To be Lecturer in Ophthalmology, Medical School with an allowance of Rs 50/-

(ii) Mr M.S. Mehkri: to be Professor of Ophthalmology in Medical College with an allowance of Rs 100

(iii) Dr M.V. Govindaswami to be Lecturer in Physiology Med. School on Rs. 50

Note: (i) The allowance in its present form is not exactly a continuance of a previous sanctioned scale, but the splitting up of the consolidated allowance drawn by Mr BK. Naraganna Rao as Principal & Lecturer. It is on the usual scale of a Lecturer's allowance].

Dear Mr. Vedavyasacharya,

With reference to Government notification No. 2374/C.B. 126-36-3 dated 22nd March 1937 ordering among others, the transfer of Mr. M.S.Mehkri,B.Sc.,M.B., D.O.M.S., from the Minto Ophthalmic Hospital to the Krishnarajendra Hospital,Mysore, I wish to point out that the transfer of both the Superintendent and the Resident Medical Officer at the same time, would not be conducive to efficient and harmonious work in the Institution. In the Krishnarajendra Hospital, the eye department could very well be managed by Mr. A.M. Ponnambalam as on a previous occasion, when Mr. B.K.Narayana Rao was sent on deputation and Mr. P.R.Subba Rao transferred to the Minto Ophthalmic Hospital,Bangalore. Besides, there will not be much tutorial work in the Medical College during these three months as the College will have been closed for the summer vacation.

In the circumstances, I would propose that ~~for~~ Mr. Mehkri may kindly be retained as Resident Medical Officer in the Minto Ophthalmic Hospital. Pending further orders of Government I am not issuing instructions regarding the relief of Mr.Mehkri

I solicit immediate orders.

To:

My dear Sir Mirza:

During Dr. S. Subba Rao's absence, Dr. P.R. Subba Rao is to be at the Minto Hospital. This is only to be for three months, and during the time when College Classes are not being held, so that the appointment of Mr. Mekhri as "professor" is unnecessary. Dr. Panambalam has carried on before & could readily do so now & the sending of Mr. Mekhri could be avoided, with the consequential sending of someone to take his place at the Minto. I would recommend that Dr. Panambalam be permitted to carry on the work of the Ophthalmic department, which with the assistant there, he can quite easily do & that the orders for Mr. Mekhri's transfer here, be Cancelled. I have written to Mr. Madhava Rao to this effect.

To

Dear Mr. Madhava Rao:

During Dr. S. Subba Rao's absence, Dr. S.R. Subba Rao is to be in charge of the Minto Hospital a G.O. has come transferring Mr. Mekhri to the Krishnarajendra Hospital.

May I point out that this is not necessary since the College is not in session during this period and that Dr. Panambalam is able to carry on under these circumstances, as he has done upon previous occasions. It seems undesirable to transfer Mr. Mekhri and then fill his place with someone else, causing additional expense & disturbance. Moreover I learn that Mr. Mekhri is not anxious for this short period transfer, as it will be a financial disadvantage to him.

I would therefore recommend that no additional person be sent here but that the work be conducted by Dr. Panabalam, especially as there are no College classes during the period in question.

Yours sincerely, J.F. Robinson.

Dear Dr. Robinson,

I have your letter of the 24th instant in which you suggest that Mr. Mathai's transfer to Mysore may be cancelled and Dr. Ponnambalam allowed to carry on the work of the Ophthalmic Department of the Krishnarajendra Hospital during the period of Dr. P.R. Subba Rao's employment at the Minto Hospital.

I have considered your suggestion but I am afraid that orders having been already issued in the matter it is not possible to revise them now. There are more advantages than disadvantages, to my mind, in what has been ordered now. I will explain in person.

SIR,

With reference to your letter No. 2379/C.B.126-36-3 dated the 22nd March 1937 regarding arrangements in the Medical College and in the Medical School consequent on the appointment of Mr. B.K.Narayana Rao to act as Senior Surgeon for a period of about three months from April 1937, I am directed to state that the proposal to continue Mr. B.K.Narayana Rao as Principal of the Medical School and to appoint Mr. P.R.Subba Rao as Lecturer in Ophthalmology, Medical School, is acceptable. As regards the Professorship of Ophthalmology in the Medical College, during the absence of Mr. P.R.Subba Rao, I am to enclose herein a copy of letter No. 1743 dated the 23rd March 1937 from the Principal, Medical College, suggesting that no acting appointment is necessary in view of the shortness of the period and of the greater portion of it being included in the college vacation. The vacation for the Medical College lasts from the 8th April to the 23rd June.

I have the honour to be,
Sir,
Your most obedient servant,

UNIVERSITY OF MYSORE

Letter No. 1743 dated the 23rd March 1937 from the Principal, Medical College, Mysore, to the Registrar, University of Mysore.

In regard to the Government Order No. 2379/C.B.126-36 dated the 22nd March 1937 received here with the General Secretary's memo No. 2380-82/C.B. 22-3-1937, transferring the third officer, Mr. M.S.Mehkri, I should like to point out that since the arrangements are only for three months during Dr. S.Subba Rao's absence from the country and Dr. P.R.Subba Rao's holding charge at the Minto Hospital, it is unnecessary to appoi anybody to Dr. P.R.Subba Rao's vacancy in Mysore. It is the time of the college vacation so that classes are not in session and the work can be satisfactorily conducted by Dr. M.Ponnambalam who has formerly acted in this position when Dr. P.R.Subba Rao has been temporarily posted to the Minto Hospital.
Dr. M.Ponnambalam is already an associate in the Eye Department and it would seem unnecessary to post a man specially for this work.

If these arrangements suggested above are carried out there need be no change affected in regard to Mehkri and no other officer need be selected for his place.
